

**NOTICE OF PRELIMINARY DECISION
FOR THE PROPOSED MODIFICATION OF
A TITLE V OPERATING PERMIT**

NOTICE IS HEREBY GIVEN that the Yolo-Solano Air Quality Management District solicits public comment on the proposed significant modification of a Title V permit issued to Buckeye Terminals, LLC at 1601 South River Road in West Sacramento, California. The significant Title V permit modification results from the proposed modification of three bulk aboveground gasoline storage tanks.

The District's analysis of the legal and factual basis for this proposed action and the proposed permit are available for public inspection at the District office at the address below. This will be the public's only opportunity to comment on the specific conditions of the proposed revised Title V permit. If requested by the public, the District shall hold a public hearing regarding issuance of this revised permit. For additional information please contact René Toledo at (530) 757-3650. Written comments on this project must be submitted within 30 days of the publication date of this notice to Paul Andrew Hensleigh, Deputy Air Pollution Control Officer, Yolo-Solano Air Quality Management District, 1947 Galileo Court, Suite 103, Davis, California, 95618.
