SUBJECT: Title V Facility Permit Revision (Facility ID: 139799)

Dear Mr. Wolden:

Please find attached the revised Title Page, Table of Contents, and Section D of your Title V Facility Permit. The revised sections reflect the approval of the permit revision requested in your Application No. 513409. The proposed permit revision was submitted to EPA for 45-day review on February 1, 2013. This de minimis significant permit revision includes the addition of seven inkjet printers, and includes the administrative revision to convert a Permit to Construct to Permit to Operate for lithographic printing press M10, and the removal of a replaced press M6, all described on the Attachment.

Please review the attached sections carefully. Insert the attached sections into your Facility Permit and discard the earlier versions. Questions concerning changes to your permit should be directed to Mrs. Wilma Wilson at (909) 396-2444.

Sincerely,
