Re: Proposed De Minimus Significant Revision to Title V Permit (A/N 488106) for Quemetco, Inc., (ID 8547)

Dear Mr. Rios:

Enclosed for your 45-day review is the proposed revision to the Title V Permit for the Quemetco facility located at 720 South 7th Ave., City of Industry, CA 91746. The revision is considered to be a de minimus significant revision and a public notice is not required. We are enclosing the proposed Sections H and I, including the revised Rule 1420 compliance plan letter for this facility, and the engineering evaluation.

SECTION H (Permit to Construct) Draft

Appl. No.	Description	Device	Process	System
488107	Addition of room ventilation baghouse, equipped with a secondary control HEPA filter compartment, and the construction of a partial building enclosure around battery breaking area.	C168, C169	1	6

SECTION I (Plan) Draft

Appl. No.	Description	Device	Process	System
488109	Rule 1420 Plan Revision to remove redundant language and to reflect inclusion of the battery breaking area inside a partial building enclosure.	NA	NA	NA

The initial Title V permit for this facility was issued on May 2, 2000. The proposed changes are not expected to result in emission increases.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information concerning the proposed Title V package, please contact Mr. Marco A. Polo by email at mpolo@aqmd.gov or by telephone at 909.396.2633.

Very truly yours,
