NOTICE OF PROPOSED TITLE V RENEWAL PERMIT

The South Coast Air Quality Management District (AQMD) is proposing to renew the Title V permit that was previously issued to the following facility:

Diversified Coatings, Inc.

620 Lamar Street
Los Angeles, CA 90031
Facility ID# 142220

Contact Person:

Los Angeles, CA 90031

This is an existing facility, applying for a Title V permit renewal, that is engaged in manufacturing of architectural coating products. The facility operates eight paint mixing systems, five storage tanks, four holding tanks, two paint filling stations, a wastewater recycling system, and other supporting equipment. Particulate emissions from several paint mixing tanks are controlled by an air pollution control equipment baghouse.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permit is available for public review at the AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Los Angeles Public Library,

630 West 5th Street, Los Angeles, CA 90071. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Mr. Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

Comments must be received by July 11, 2008. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request the AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD website at <http://www.aqmd.gov/titlev>. Requests for a public hearing are due by June 27, 2008. A copy of the hearing request must also be sent by first class mail to the facility contact person listed above.
