Dear Mr. Brotzman:

Subject: RECLAIM/Title V Permit

Please find enclosed a revised Title Page, Table of Content, and Section B of your RECLAIM/Title V Permit for your facility located at 8875 Industrial Lane, Rancho Cucamonga, CA 91730. The revised Section B reflects the deductions made to your NOx Allocations based on the self-reported NOx Allocation exceedance for Compliance Year 2010. This deduction was previously explained to you in our April 6, 2011 letter (copy enclosed).

Please review the enclosed pages carefully, insert them into your RECLAIM/Title V Permit, and discard the earlier versions of these pages. If you have any questions concerning the changes to your permit, please call Mr. Don Nguyen in the RECLAIM Administration Team at (909) 396-2352.

Sincerely,
