Re: Notice of Proposed Decision - Significant Title V Permit Modification F-01059-5.

Dear Mr. Rios:

Enclosed for your review and comment are the District's proposed revised Title V operating permit F-01059-5, Statement of Basis Addendum, Public Notice, proposed Authority to Construct (ATC), and engineering evaluation for the Recology Hay Road. The landfill is located at 6426 Hay Road in Vacaville, California.

This notification is given in accordance with District Rule 3.8, Section 409.1 (a 30-day public notice comment period) and Sections 409.1.e and 411 (a concurrent 45-day regulatory review period) for a significant Title V permit modification. The proposed revisions are necessary due to the pending issuance of ATC C-09-87, which proposes modifications to the landfill existing control equipment.

ATC application C-09-87 has been processed in accordance with the Enhanced New Source Review requirements of District Rule 3.4, Section 404. Section 404.1 of District Rule 3.8, requires that upon the implementation of ATC C-09-87 into Permit to Operate P-85-06(a2) Recology request, in writing, that the District amend the Title V operating permit to incorporate the proposed modifications.

The notice of preliminary decision for this project will be published in the Vacaville Reporter newspaper approximately three days from the date of this letter. Please submit your written comments concerning this project within the 45-day comment period which will begin on the date that the documents are received by your agency. The District respectfully requests notification of the date that the enclosed documents are received.

If you have any questions, please contact René Toledo at (530) 757-3679 or toll-free in the (530), (916), and (707) area codes at (800) 287-3650.

Sincerely,

Susan K. McLaughlin
Supervising Air Quality Engineer

NOTICE OF PRELIMINARY DECISION
FOR THE PROPOSED MODIFICATION OF
A TITLE V OPERATING PERMIT

NOTICE IS HEREBY GIVEN that the Yolo-Solano Air Quality Management District solicits public comment on the proposed significant modification of a Title V permit issued to Recology Hay Road at 6426 Hay Road in Vacaville, California. The significant modification results from the proposed modification of the existing landfill's operating permit.

The District's analysis of the legal and factual basis for this proposed action and the proposed permit are available for public inspection at the District office at the address below. This will be the public's only opportunity to comment on the specific conditions of the proposed revised Title V permit. If requested by the public, the District shall hold a public hearing regarding issuance of this revised permit. For additional information please contact René Toledo at (530) 757-3650. Written comments on this project must be submitted within 30 days of the publication date of this notice to Susan K. McLaughlin, Supervising Air Quality Engineer, Yolo-Solano Air Quality Management District, 1947 Galileo Court, Suite 103, Davis, California, 95618.
