San Francisco, CA 94105

Reference: Proposed Title V Permit Renewal
INEOS Polypropylene LLC (ID 124808)

Dear Mr. Rios:

The South Coast Air Quality Management District (AQMD) has completed its review of the enclosed Title V permit renewal application No. 543640, for INEOS Polypropylene LLC (Facility ID 124808), located at 2384 East 223rd Street, Carson, CA in Los Angeles County. This facility is a polypropylene manufacturing facility.

Enclosed is the proposed Title V permit renewal, along with the facility's permit application, Statement of Basis, Permit Summary, Compliance Assurance Monitoring (CAM) evaluation, and public notice for your 45-day review and commenting period. The renewal also incorporates a change of condition to E193.1 requested by application No. 555329 to comply with CAM, and an administrative change of conditions to S15.1, and C12.1 which were requested under applications No. 552449, and 552452.

AQMD intends to publish a 30-day public notice and shall make the proposed renewal permit available for public reviewing in accordance with Rule 3006.

This request is being made via electronic submittal in order to facilitate your review. Questions on the proposed permit should be directed to Belinda Wan, A.Q. Engineer II of my staff at (909) 396-2532 or by email at bwan@aqmd.gov.

Sincerely,

Andrew Lee, P. E.
