NOTICE OF RENEWAL OF TITLE V PERMIT

The South Coast Air Quality Management District (SCAQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. This is to inform the public of the intention of the SCAQMD to renew the existing Title V permit previously issued to the facility listed below.

Facility location and contact person

Los Angeles County Sanitation Districts (LACSD), Joint Water Pollution Control Plant (JWPCP)

24501 South Figueroa Street
Carson, CA 90745-6311
Facility ID # 800236

Contact Person:

Richard Koskela
Senior Engineer, Air Quality Management

The facility operates a sewage treatment plant. This permit consists of fourteen emergency internal combustion engines- nine for electrical generation and five to drive pumps, five non-emergency internal combustion engines driving pumps, three digester gas/natural gas turbine/boiler cogeneration systems, an anaerobic sewage treatment plant, two sludge dewatering systems, four digester gas and three natural gas boilers, two digester gas flare stations, two biofilters, seventeen carbon based air pollution control systems, three abrasive blasting units and baghouse, a pressure washer, a spray booth, a gasoline service and dispensing system, a plasma cutter and plasma cutting dust collector, limestone storage system, solvent still, and a LPG storage tank at this facility.

Pursuant to Title V of the federal Clean Air Act and SCAQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested that SCAQMD renew their Title V permit. The proposed permit incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility. As required by Title V of the federal Clean Air Act, the Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. The facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permit is available for public review at SCAQMD, 21865 Copley Dr., Diamond Bar, CA 91765, and at the Carson Public Library, 151 E. Carson Street, Carson, CA 90745. The proposed permit can also be viewed at <http://www3.aqmd.gov/webappl/publicnotices2/> by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the SCAQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the SCAQMD based on credible information, is also available from the SCAQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by April 1, 2014. Written comments should be submitted to:**
