NOTICE OF PROPOSED RENEWAL OF TITLE V PERMIT

The South Coast Air Quality Management District (AQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. Rule 3006 requires that the AQMD publish this notice prior to the renewal of a Title V permit previously issued to the facility listed below:

Phillips 66 Pipline LLC
13500 S. Broadway Street
Los Angeles, CA 90061-1008
Facility ID# 171326

This is an existing facility applying to renew their Title V permit. The Phillips 66 Los Angeles Terminal is a bulk terminal that stores and transfers petroleum products including gasoline, ethanol, and diesel fuels. This facility operates a number of storage tanks and loading racks as well as a vapor recovery system and a waste water treatment system.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested that AQMD renew their Title V permit. The proposed permit incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility

As required by Title V of the Federal Clean Air Act, Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. Title V facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permit is available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Los Angeles Public Library Mark Twain

Branch, 9621 S. Figueroa, Street, CA 90003. The proposed permit can also be viewed at <http://www3.aqmd.gov/webappl/publicnotices2/> by entering the facility's ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by December 9, 2014. Written comments should be submitted to:**

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Mr. Arturo Arreola, P.E. at (909) 396-2534 or by email at aarreola@aqmd.gov.

The public may request the AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Ken Matsuda at the above AQMD address. The public hearing request must contain all the information requested on the form in order for the AQMD to determine whether or not the request is valid or if a public hearing will be held. The public hearing request forms may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at <http://www.aqmd.gov/docs/default-source/grants/500-g-form.pdf?sfvrsn=>. **Any request for a public hearing must be submitted to the AQMD no later than November 25, 2014. A copy of the public hearing request must also be sent by first class mail to the facility contact person listed above, at the same time.**

For your general information, anyone experiencing air quality problems such as dust smoke and odors can telephone in a complaint to the AQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
