Subject: LAC/USC Medical Center (ID 20197) – Title V Significant Permit Revision

Dear Mr. Rios:

LAC/USC Medical Center has proposed to revise their Title V permit under application no. 556645 by the addition of a new emergency electrical generator rated at 635 bhp. This is a medical facility located at 1200 North State Street, Los Angeles, CA 90053. The proposed permit revision is considered a Significant Permit Revision to their Title V permit and a 30-day public notice is required. Attached for your review is the engineering evaluation, the public notice, and Section D of the Facility Permit for the proposed revision. With the receipt of the proposed Title V Significant Permit Revision today, we will note that the EPA 45-day review period begins on January 7, 2014.

If you have any questions or need additional information regarding the proposed permit revision, please call Mr. Kenneth L. Coats (909) 396-2527.

Very truly yours,

Andrew Lee, P.E.
