NOTICE OF INTENT TO ISSUE PERMITS PURSUANT TO SCAQMD RULE 3006

This notice is to inform you that the South Coast Air Quality Management District (SCAQMD) has received a permit application from LAC/USC Medical Center for the proposed installation of an emergency internal combustion engine located at 1200 North State Street, Los Angeles, CA 90053. SCAQMD has reviewed the application and has determined that the proposed project will comply with all applicable federal, state and local air quality rules and regulations and, therefore, SCAQMD intends to issue a Permit to Operate and to revise the Title V permit for this facility. However, prior to issuance of the final Title V permit, SCAQMD is providing an opportunity for public comments on the SCAQMD's proposed decision.

The SCAQMD is the air pollution control agency for the four-county region including all of Orange County and non-desert parts of Los Angeles, Riverside and San Bernardino Counties. Anyone wishing to install or modify equipment that could control or be a source of air pollution within this region must first obtain a permit from the SCAQMD. Under certain circumstances, before a permit is granted, a public notice, such as this, is prepared by the SCAQMD. For this project, public notification is required by SCAQMD Rule 3006(a) because there will be a significant revision to the facility's existing Title V permit.

The SCAQMD has evaluated the permit applications listed below for the following facility and determined that it meets or will meet all applicable federal, state and SCAQMD air quality rules and regulations as described below:

FACILITY: LAC/USC Medical Center
Facility ID No. 20197
1200 North State Street
Los Angeles, CA 90053

CONTACT: Roy P. Pierce
1200 North State Street
Los Angeles, CA 90053

SCAQMD APPLICATION NUMBERS

Application Number	Equipment Description
556643	Emergency IC Engine
556645	Title V Significant Permit Revision

PROJECT DESCRIPTION

LAC/USC Medical Center is proposing to install a 635 bhp emergency IC engine which will be used to provide back-up power for the facility.

This facility is classified as a federal Title V facility. **Pursuant to SCAQMD Rule 3006 – Public Participation, any person may request a proposed permit hearing on an application for an initial or significant revision to a Title V permit by filing with the Executive Officer a complete Hearing Request Form (Form 500G) for a proposed hearing within 15 days of the date of publication of this notice.** This form is available on the SCAQMD website at <http://www.aqmd.gov/permit/Formspdf/TitleV/SCAQMDForm500-G.pdf>, or alternatively, the form can be made available by contacting Mr. Kenneth L. Coats at the e-mail and telephone number listed below. In order for a request for a public hearing to be valid, the request shall comply with the requirements of SCAQMD Rule 3006 (a)(1)(F). On or before the date the request is filed, the person requesting a proposed permit hearing must also send by first class mail a copy of the request to the facility address and contact person listed above.

The proposed permits and other information are available for public review at the SCAQMD's headquarters in Diamond Bar. Additional information including the facility owner's compliance history submitted to the SCAQMD pursuant to Section 42336, or otherwise known to the SCAQMD, based on credible information, is available at the SCAQMD for public review by contacting Mr. Kenneth L. Coats (kcoats@aqmd.gov), Engineering and Compliance, South Coast Air Quality Management District, 21865 Copley Drive, Diamond Bar, CA 91865-4182, (909) 396-2527. A copy of the draft Permits to Construct/Operate can also be viewed at <http://ww3.aqmd.gov/webappl/publicnotices2>. Anyone wishing to comment on the air quality elements of the permits must submit comments in writing to the SCAQMD at the above address, attention Mr. Kenneth L. Coats. **Comments must be received within 30 days of the publication date of this notice.** If you are concerned primarily about zoning decisions and the process by which the facility has been sited in this location, contact your local city or county planning department. For your general information, anyone experiencing air quality problems such as dust or odor can telephone in a complaint to the SCAQMD 24 hours a day by calling the toll free 1-800-CUT-SMOG (1-800-288-7664).
