Dear Mr. Rios:

This is a space and electronics manufacturing facility (SIC 3679) located at 3301 Aviation Blvd., Manhattan Beach, CA 90266. This proposed permit revision as requested under Application No. 544392 is considered as a “de minimis significant permit revision” to their Title V permit. Enclosed for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on April 26, 2013.

If you have any questions or need additional information regarding the proposed permit revision, please call Hamed Mandilawi at (909) 396-3275.
