NOTICE OF PROPOSED TITLE V RENEWAL PERMITS

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permits that were previously issued to the following facilities:

Bert-Co Industries Inc., dba Bert-Co Graphics

3800 North Mission Road
Los Angeles, CA 90031
Facility ID# 118121

Contact Person:

Charles Stay
President, CEO
P.O. Box 3067
Cerritos, CA 90703

This is an existing facility applying for a Title V permit renewal that is engaged in commercial lithographic printing. The facility operates two quick-set lithographic printing systems, and other supporting equipment.

E/M Coating Services

20751 Superior Street
Chatsworth, CA 91311
Facility ID# 136173

Contact Person:

Ernie Lucero
E H & S Manager
20751 Superior Street
Chatsworth, CA 91311

This is an existing facility applying for a Title V permit renewal that is engaged in the coating of aerospace fasteners. The facility operates spray booths, ovens, dip tanks, a solvent recovery still, coaters, and other supporting equipment. Emissions from five spray booths, the dip tanks, seven ovens, and coaters are vented to an air pollution control equipment consisting of mesh filters, HEPA filters, a zeolite concentrator and an afterburner.

E/M Coating Services

6940 Farmdale Avenue
North Hollywood, CA 91605
Facility ID# 136148

Contact Person:

Ernie Lucero
E H & S Manager
6940 Farmdale Avenue
North Hollywood, CA 91605

This is an existing facility applying for a Title V permit renewal that is engaged in the coating of aerospace fasteners. The facility operates spray booths, graphite impregnating booths and associated dust collectors, a powder spray booth and associated dust collector, dip tanks, ovens, a solvent still, an anodizing line, a passivation line, a scrubber, and other supporting equipment.

Eppink of California

11900 Center Street
South Gate, CA 90280
Facility ID# 19194

Contact Person:

Michael Hunter
Vice President
11900 Center Street
South Gate, CA 90280

This is an existing facility applying for a Title V permit renewal that produces architectural wood millwork. The facility operates spray booths and other supporting equipment.

J. B. I. Inc.

18521-18601 South Santa Fe Avenue
Compton, CA 90221
Facility ID# 24647

Contact Person:

Al Chavez
VP Manufacturing
2650 East El Presidio St
Long Beach, CA 90810

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of fast food restaurant interiors. The facility operates spray booths, an aqueous cleaning line, an oven, polyurethane foaming machine, an abrasive blasting room, baghouses, and other supporting equipment.

Johnson Laminating & Coating, Inc.

20631 Annalee Avenue
Carson, CA 90746
Facility ID# 14492

Contact Person:

Scott Davidson
President
20631 Annalee Avenue
Carson, CA 90746

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of window film. The facility operates a coating, laminating and drying system. Volatile organic compound (VOC) emissions from the coating, laminating and drying system are vented to an air pollution control system regenerative thermal oxidizer.

McDowell & Craig Mfg. Co.

13146 East Firestone Blvd.
Norwalk, CA 90650
Facility ID# 17841

Contact Person:

Gary Phillips
General Manager
13146 East Firestone Blvd.
Norwalk, CA 90650

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of metal office furniture. The facility operates spray booths, a drying oven, and other supporting equipment.

Northrop Grumman Systems

3301 1700 Aviation & Rosecrans
Manhattan Beach, CA 90266
Facility ID# 800408

Contact Person:

Ron Frazer
Senior Air Quality Engineer
One Space Park, CS1/1800
Redondo Beach, CA 90278

This is an existing facility that is in the business of manufacturing space equipment and electronics. This facility operates various semiconductor manufacturing equipment, boilers, emergency internal combustion engines, and other supporting equipment. Emissions from the semiconductor

manufacturing operation are vented to various scrubbers and afterburners. In addition, volatile organic compound emissions from aerospace and degreasing operations are vented to carbon adsorbers.

Northwestern Showcase & Fixture Co.

1683 Blake Avenue
Los Angeles, CA 90031
Facility ID# 71207

Contact Person:

C. Wayne Noecker
President
15054 Oxnard Street
Van Nuys, CA 91411

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of wood furniture. The facility operates spray booths and other supporting equipment.

Southwest Mill & Lumber

11034 Sherman Way
Sun Valley, CA 91352
Facility ID# 148568

Contact Person:

Vanessa Martinez
CFO
11034 Sherman Way
Sun Valley, CA 91352

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of wood molding and frames. The facility operates a spray booth, spray machines, flow coaters, wood paste extruders, and other supporting equipment.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. Each of the proposed permits incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at the AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Los Angeles Public Library, Science, Technology, and Patents Department, 630 West 5th Street, Los Angeles, CA 90071. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

South Coast Air Quality Management District
Coating, Printing, Plating, Military, and
Entertainment Operations Team
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attention: Hamed Mandilawi

Comments must be received by August 22, 2011. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request the AQMD to conduct a public hearing on any of the proposed permits by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permits are not correct or are not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permits. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD website at <http://www.aqmd.gov/titlev>. Requests for public hearings are due by August 5, 2011. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
