NOTICE OF PROPOSED RENEWAL TITLE V PERMIT

The South Coast Air Quality Management District (AQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. Rule 3006 requires that the SCAQMD publish this notice prior to the renewal of a Title V permit previously issued to the facility listed below:

OLS ENERGY CHINO
5601 Eucalyptus Ave
Chino, CA 91710
Facility ID 47781

Contact Person:

Robert Henderson
Vice President
PO Box 1520
Chino, CA 91708-1520

The facility operates 1 natural gas fired turbine, 2 natural gas fired boilers, 1 diesel fired emergency generator, and 1 anhydrous ammonia tank used in the production of power and steam.

Pursuant to Title V of the federal Clean Air Act and the AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, this facility has submitted a Title V renewal application and requested the AQMD to renew their Title V permits. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to this facility.

As required by Title V of the Federal Clean Air Act, Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. Title V facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permit is available for public review at the SCAQMD, 21865 Copley Dr., Diamond Bar, CA, and at the Chino Branch Library, 13180

Central Ave., Chino, CA 91710. The proposed permit can also be viewed at <http://www3.aqmd.gov/webappl/publicnotices2/> by entering the facility's ID number. Information regarding the facility owner's compliance history submitted to the SCAQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the SCAQMD based on credible information, is also available from the SCAQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by October 23, 2014. Written comments should be submitted to:**

South Coast Air Quality Management District
Engineering and Compliance Office
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attention: Mr. Chris Perri
Air Quality Engineer II

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Mr. Perri at (909) 396-2696 or by email at cperri@aqmd.gov.

The public may request the SCAQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Mr. Perri at the above SCAQMD address. The SCAQMD will hold a public hearing if there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. Public hearing request forms and the schedule of public hearings may be obtained from the SCAQMD by calling the Title V hotline at (909) 396-3013, or from the Internet at <http://www.aqmd.gov/docs/default-source/grants/500-g-form.pdf?sfvrsn>. **Requests for public hearings are due by October 9, 2014. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.**
