APPLICATION 522286- Title V Minor Permit Revision

Background

BFI Waste Systems of North America/Azusa Gas System Operators (Azusa Land Reclamation Co. Landfill) A/N 522286 was submitted for Title V permit revision (3). Application 498353 was submitted to for the replacement and removal of the existing landfill condensate collection and treatment system. The equipment is located at BFI/Azusa Landfill in Azusa. For additional information please refer to the attached evaluation prepared for the EPA review.

Note: Title V Renewal Revision 2 (A/N 498347) was issued January 3, 2012.

Rules Evaluation

Reg. XXX:
The alteration of the landfill condensate collection system is considered a Title V Minor permit revision under Rule 3000(b)(15), since the there is no emission increase and the modification of the equipment does not result in new or additional NSPS or NESHAP requirements and will be subject to an EPA review (Rule 3003 (j)). A public notice is not required. Compliance is expected.

Conclusions and Recommendations

A Permit to Operate is recommended for application 498353. A revised Title V permit is recommended after the completion of EPA review.
