Re: Proposed De-Minimis Significant Revision to Title V Permit for Chiquita Canyon, LLC, Chiquita Canyon Landfill Facility (ID # 119219)

Dear Mr. Rios:

Enclosed for your 45-day review is the proposed revision to the Title V Permit (A/N 459262) for Chiquita Canyon, LLC, Chiquita Canyon Landfill (ID # 119219), an active landfill, located at 29201 Henry Mayo Drive, Valencia, CA, in northern Los Angeles County. This revision is considered de-minimis significant revision to the Title V permit, which includes the following listed applications, and a public notice is not required. We are enclosing appropriate pages of Section D and the engineering evaluations pertaining to the following applications.

SECTION D: Facility Equipment and Requirements

Appl. No.	Permit No.	Description
459262	N/A	De-minimis significant revision to Title V permit. Revise facility wide conditions to include alternatives to landfill gas wellhead oxygen level and variance to allow high temperature for specific wellheads, per New Source Performance Standards (NSPS) for Municipal Solid Waste Landfills (40 CFR part 60, subpart WWW).
491445	TBD	Alteration/modifications to the landfill gas collection permit, F37351, to revise the number of vertical wells and length of horizontal collectors to allow future expansion of the LFG collection system.
