Mr. Gerardo C. Rios
Chief of Permit Operations
US EPA Region IX Air 3
75 Hawthorne Street
San Francisco, CA 94105-3901

Dear Mr. Rios:

Reference: Transmittal of Proposed Initial Title V Permit

Enclosed is the re-submittal of the proposed initial Title V permit, permit summary, permit application, and public notice for Lifoam Industries, LLC, located at 2340 E. 52nd Street, Vernon, CA 90058. The proposed initial Title V permit reflects additional equipment operating conditions from the version submitted on September 26, 2008. The additional conditions are based on a recent District's approval of the facility's Rule 1175 compliance source tests performed on April 16, 2008 and July 2, 2008. With your expected receipt of the proposed initial Title V permit by today, we will note that the EPA 45-day period begins on December 10, 2008.

Questions on the proposed initial Title V permit should be directed to Stephen Jiang of my staff at (909) 396-3134.

Sincerely,

Brian L. Yeh
Senior Manager
Chemical/Mechanical Operations
