This revision is covered under A/N 510632 and is a "minor permit revision" to the Title V permit previously issued January 26, 2009. A draft copy of this permit was electronically submitted to the EPA for a 45-day review period on December 6, 2011. No comments were received from the EPA.

Please review the attached sections carefully. Insert the enclosed sections into your Title V Facility Permit and discard the earlier versions.

The operation of your facility is bound by the conditions and/or requirements stated in the facility Permit to Operate. If you determine that there are administrative errors, or if you have any questions concerning changes to your permit, please contact Mr. Tom Witte, Air Quality Engineer, at (909) 396-2521 within 30 days of the receipt of your permit.

Sincerely,

Jay Chen, P.E.
