Dear Mr. Broderick:

Pursuant to the provisions of Title 17 of the Pima County Code (17.12.255. and 17.12.260), we have determined that the proposed changes to your operation, re-routing of 8D/8B Transfer Point and modifications to the CAM Plan, as described in your application for a minor permit revision, received June 30, 2010 qualify as a minor permit revision.

Pima County Department of Environmental Quality will make the appropriate revisions and forward the permit for your review.

If you have any other questions or comments, please contact Rupesh Patel or me at (520) 243-7341.

Sincerely,
