Re: Class I Minor Revision Permit Application for Freeport-McMoRan Sierrita, Inc, Permit # 6067

Dear Mr. Chew:

Title 17 of the Pima County Code (PCC 17.12.255.E & PCC 17.12.200.A.3) requires that the Control Officer provide notification of any minor revision application submitted for a Class I permit (i.e., a major or categorical source) to the Administrator at the time the permit application is submitted.

Per EPA's request, enclosed is a copy of the Freeport-McMoRan Sierrita, Inc (FMSI) minor revision application received by Pima County Department of Environmental Quality (PDEQ). The application was received on June 30, 2010. PDEQ also provides our permit revision approval letter sent to FMSI.

We will forward the proposed final permit to EPA when it is finalized.

If you have questions or need additional information, please call Rupesh Patel or me at (520) 243-7400.

Sincerely,
