NOTICE OF PROPOSED TITLE V RENEWAL PERMITS

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permits that were previously issued to the following facilities:

Ball Metal Beverage Container Corp.

500 Crenshaw Blvd.
Torrance, CA 90503
Facility ID# 117785

Contact Person:

Don Johnson
Manager, E.H. & S
500 Crenshaw Blvd.
Torrance, CA 90503-3129

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of aluminum beverage cans. The facility operates two cleaning and pretreatment lines, three can coating and printing lines, storage tanks, a wastewater treatment system, two emergency ICE generators, two boilers, and other supporting equipment. Volatile organic compound and particulate matter emissions from the coating and printing lines are controlled by an air pollution control system.

Northrop Grumman Corporation

500-800 North Douglas St.
El Segundo, CA 90245
Facility ID# 018294

Contact Person:

Karl Bhatnagar
Environmental Manager
One Hornet Way, PA12/W5
El Segundo, CA 90245

This is an existing facility applying for a Title V permit renewal that is engaged in aircraft manufacturing. The facility operates various spray booths, ovens, autoclaves, boilers, heaters, abrasive blasting systems, emergency ICE generators, a resin mixer, a surface preparation line, baghouses, a scrubber, and other supporting equipment.

R R Donnelley & Sons Co.

19681 Pacific Gateway Drive
Torrance, CA 90502
Facility ID# 003585

Contact Person:

Chris Gemgnani
EHS Regional Manager
19681 Pacific Gateway Drive
Torrance, CA 90502

This is an existing facility applying for a Title V permit renewal that is engaged in commercial lithographic printing. The facility operates five heat set lithographic printing systems and other supporting equipment. Volatile organic compound emissions from the dryers of the heat set lithographic printing systems are controlled by air pollution control equipment afterburners.

Trend Offset Printing Services, Inc.

3791 Catalina Street
Los Alamitos, CA 90720
Facility ID# 053729

Contact Person:

Steve Furlong
General Manager
3791 Catalina Street
Los Alamitos, CA 90720

This is an existing facility applying for a Title V permit renewal that is engaged in commercial lithographic printing. The facility operates thirteen heat set lithographic printing systems, three cold set lithographic printing systems, a solvent recovery system, and other supporting equipment. Volatile organic compound emissions from the dryers of the heat set lithographic printing systems are controlled by air pollution control equipment afterburners.

Monarch Litho Inc.

1501 Date Street
Montebello, CA 90640
Facility ID# 73367

Contact Person:

Jesus Granados
Environmental Manager
1501 Date Street
Montebello, CA 90640-6324

This is an existing company applying for a Title V permit renewal that is engaged in commercial printing. The facility operates 14 lithographic printing systems, and other supporting equipment.

Old Country Millwork Inc.

1212 East 58th Place
Los Angeles, CA 90001
Facility ID# 89248

Contact Person:

Tim Kilgallon
Operations Manager
1212 East 58th Place
Los Angeles, CA 90001

This is an existing facility applying for a Title V permit renewal that is engaged in coil coating of metal. The facility operates two coating and drying lines, and other supporting equipment. The volatile organic compound emissions from the coaters and ovens are vented to an air pollution control equipment afterburner.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. Each of the proposed permits incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at the AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Los Angeles Public Library, Science, Technology, and Patents Department, 630 West 5th Street, Los Angeles, CA

90071. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

South Coast Air Quality Management District
Coating, Printing, Aerospace, and Metal Finishing
Operations Team
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attention: Hamed Mandilawi

Comments must be received by June 21, 2010. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request the AQMD to conduct a public hearing on any of the proposed permits by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permits are not correct or are not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permits. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD website at <http://www.aqmd.gov/titlev>. Requests for public hearings are due by June 4, 2010. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
