Subject: Proposed De Minimis Significant Revision to Title V Facility Permit for BP West Coast Products LLC., Carson Refinery (Facility ID #131003)

Dear Mr. Rios:

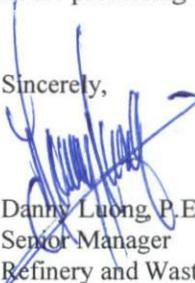

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for BP West Coast Products LLC (BP) located at 2350 E. 223<sup>rd</sup> Street, Carson, California. The revision proposed under application A/N 546962 is a De Minimis Significant Revision and a public notice is not required.

The South Coast Air Quality Management District (AQMD) has received an application for Permit to Operate from BP for the equipment described in table below. The AQMD has evaluated the application and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our rules and regulations. The revised portion of the permit and our evaluation report are attached for your review.

Application No.	Equipment	Application(s) for
546960	Storage Tank TK-173R	Change of a permit condition to increase the tank throughput
