Mr. Gerardo Rios
U. S. EPA, Region IX
Mail Stop A-5-2
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Rios:

Exide (ID 124838) has proposed to revise their Title V permit by modifying:

SECTION H (Permit to Construct) Revision # 1

Appl. No.	Description	Device	Process	System
483403	Replacement of cartridge filters in the South Torit dust collector with HEPA cartridge filters.	C39	J	6

This equipment is located at 2700 South Indiana Street, Vernon, CA 90023.

This Title V permit revision is covered under Application No. 415072. The proposed permit revision is considered to be a "de minimus significant" permit revision to the Title V permit. Attached for your 45-day review is a draft of the proposed revised Facility Permit Section H.

This project is part of the efforts required to reduce ambient lead concentrations in the immediate vicinity of this facility. Due to the importance of this project, it is respectfully requested that the review of this permit revision be conducted as expeditiously as possible.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information concerning the proposed Title V package, please contact Mr. Marco A. Polo by email at mpolo@aqmd.gov or by telephone at 909.396.2633.

Very truly yours,

Charles Tupac
AQAC Supervisor
Refinery and Waste Management Permitting
