Facility	Facility Name	Application	Permit Engineer	City	County
A4618	Keller Canyon Landfill Company	26271	C. Allen	Pittsburg	Contra Costa

The purpose of this minor revision is to incorporate permit condition changes that were issued pursuant to District permit applications 23460 and 26269. These changes updated the landfill gas collection system description and authorized gas collection system alterations. These condition changes do not result in any emission increases and do not change any applicable requirements or monitoring provisions.

The District did not receive any comments on the proposed minor revision from EPA, ARB, or the facility. The facility notified the District of additional gas collection system alterations that occurred in November 2012. These alterations are reflected in the final permit.

The final permit can be viewed on the BAAQMD website at [http:// www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx](http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx). We will also send the permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit revision, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,
