This is an existing facility applying for a Title V permit renewal that is engaged in aircraft parts manufacturing. The facility operates various spray booths, ovens, autoclaves, boilers, surface preparation lines, degreasers, abrasive blasting systems, emergency internal combustion engines, laser cutters, dust collectors, mist eliminators, and other supporting equipment.

Vertis, Inc.

7190 Jurupa Avenue
Riverside, CA 92504
Facility ID# 115130

Contact Person:

Stephen Hultquist
Environmental Manager
250 West Pratt Street, 18th Floor
Baltimore, MD 21201

This is an existing facility applying for a Title V permit renewal that is engaged in commercial lithographic printing. The facility operates ten heat set lithographic printing systems, and other supporting equipment. Volatile organic compound emissions from the dryers of the heat set lithographic printing systems are controlled by air pollution control systems thermal oxidizers.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V

renewal application and requested the AQMD to renew their Title V permit. Each of the proposed permits incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at the AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Riverside Public Library, 3581 Mission Inn Avenue, Riverside, CA 92501. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

South Coast Air Quality Management District

Attention: Hamed Mandilawi

Comments must be received by June 21, 2010. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request the AQMD to conduct a public hearing on any of the proposed permits by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permits are not correct or are not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permits. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD website at <http://www.aqmd.gov/titlev>. Requests for public hearings are due by June 4, 2010. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
