San Francisco, CA 94105

Dear Mr. Rios:

Proposed Significant Revision to Title V Permit for Orange County Sanitation District (OCSD), Fountain Valley Wastewater Treatment Facility (ID#17301)

Enclosed for your 45-day review is the proposed revisions to the Title V Permit for OCSD, municipal wastewater treatment Facility (Plant #1) located at 10844 Ellis Avenue, Fountain Valley, CA, in Orange County. This revision is considered to be a significant permit revision because the proposed equipment installation is subject to a NESHAP, and a public notice is required. We are enclosing proposed section H, which includes the revised permit as shown below, and the engineering evaluation.

SECTION H PERMIT TO CONSTRUCT

Appl. No.	Description
494460	Boiler, 10.5 MMBTU/HR, Digester gas & Natural gas

The initial Title V permit for this facility was issued on December 18, 2008, and permit revision (01) was issued on May 28, 2009. The facility has requested construction of a new low-NOx boiler listed above, and filed application No. 499793 for a significant revision to the Title V facility permit.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Gaurang Rawal at (909) 396-2543 or by email at grawal@aqmd.gov.

Sincerely,

Jay Chen, P.E.
Senior AQ Engineering Manager
Refinery and Waste Management Permitting
