## NOTICE OF RENEWAL OF TITLE V PERMIT

The South Coast Air Quality Management District (SCAQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. This is to inform the public of the intention of the SCAQMD to renew the existing Title V permit previously issued to the facility listed below.

### Facility location and contact person

#### **Riverside County Waste Mgm't Department**

16411 Lamb Canyon Rd.  
Beaumont, CA 92223  
Facility ID# 15793

#### *Contact Person:*

Hans Kernkemp  
General Manager-Chief Engineer  
Riverside County Waste Management Department  
14310 Frederick Street, Moreno Valley, CA 92553

The facility is an active municipal solid waste landfill. This permit consists of a landfill gas collection system, a landfill condensate/leachate collection system, and a landfill gas flare station at this facility.

Pursuant to Title V of the federal Clean Air Act and SCAQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such permit has been renewed. Accordingly, the above facilities have submitted Title V renewal applications and requested that SCAQMD renew their Title V permits. The proposed permit for each facility incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility. As required by Title V of the federal Clean Air Act, the Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. The facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions. The proposed permits are available for public review at SCAQMD, 21865 Copley Dr., Diamond Bar, CA 91765, and as per the library listed below:

Beaumont Library District  
125, East 8<sup>th</sup> Street,  
Beaumont, CA 92223

The proposed permit can also be viewed at <http://www3.aqmd.gov/webappl/publicnotices2/> by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the SCAQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the SCAQMD based on credible information, is also available from the SCAQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by 02/26/2014. Written comments should be submitted to:**

Attention: Atul Kandhari  
AQ Engineer II

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Mr. Atul Kandhari at (909) 396-2477 or by email at [akandhari@aqmd.gov](mailto:akandhari@aqmd.gov). The public may request the SCAQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Atul Kandhari at the above SCAQMD address.

The public hearing request must contain all the information requested on the form in order for the SCAQMD to determine whether or not the request is valid or if a public hearing will be held. The public hearing request forms may be obtained from the SCAQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at <http://www.aqmd.gov/permit/Formspdf/TitleV/AQMDForm500-G.pdf>. **Any request for public hearings must be submitted to the SCAQMD no later than 02/11/2014. A copy of the hearing request must also be sent by first class mail to the facility contact person listed above, at the same time.**

For your general information, anyone experiencing air quality problems such as dust, smoke or odors can telephone in a complaint to the SCAQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
