Dear Mr. Rios:

International Paper Co. (I.D. 157363) has proposed to revise their Title V permit by changing permit conditions on a mixing system and six flexographic printing presses. This is a corrugated container manufacturer (SIC 2653) located at 601 E. Ball Road, Anaheim, CA 92805. This proposed permit revision as requested under Application Number 540105 is considered as a “de minimis significant permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on October 29th.

If you have any questions or need additional information regarding the proposed permit revision, please call Stacey Ebiner at (909) 396-2504.

Very truly yours,
