Mr. Gerardo Rios
Chief – Permits Office
U. S. EPA, Region IX
75 Hawthorne Street, Air 3
San Francisco, CA 94105

Dear Mr. Rios:

J.B.I. Inc. (ID 24647) has proposed to revise their Title V permit by replacing the natural gas fired-burner of Tank 1 of the aqueous solution line with a low-NOx burner. This is a furniture manufacturer located at 18521-18601 S. Santa Fe Avenue, Rancho Dominguez, CA 90220. This proposed permit revision as requested under Application Number 555899 is considered as a “de minimis significant permit revision” to their Title V permit. Attached for your review are the permit evaluations and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on October 9th.

If you have any questions or need additional information regarding the proposed permit revision, please call Ed Muehlbacher at (909) 396-2703.

Very truly yours,

A handwritten signature in black ink, reading 'Amir Dejbakhsh', is positioned above the typed name.
