Dear Mr. Rios:

Subject: University of California Los Angeles (ID #18452) - Title V Permit Revision

The University of California, Los Angeles has proposed to revise their Title V facility permit by adding two emergency internal combustion engines (A/N's 503209 and 503210) and removing the engines under A/N's 293497 and 378961. This is a university (SIC 8221) located at 405 Hilgard Avenue, Los Angeles, CA 90095. This proposed revision is considered a "minor permit revision" to their Title V permit. Attached for your review are the evaluation and permit for the proposed revision.

If you have any questions or need additional information regarding the proposed permit revision, please call Maria Vibal at (909) 396-2422.

Very truly yours,
