Mr. Gerardo Rios  
Chief Permits Office  
U. S. EPA, Region IX  
75 Hawthorne Street, Air 3  
San Francisco, California 94105

Dear Mr. Rios:

Arlon Graphic LLC has proposed to revise their Title V permit by removing the existing volatile organic compound (VOC) equipment cap. This is a large sized coating facility (SIC 2672) located at 2811 South Harbor Blvd., Santa Ana, CA 92704. The proposed permit revision as requested under Application Number 545866 is considered as a "de minimis significant permit revision" to their Title V permit. Attached for your review are a permit evaluation and a draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on the March 28, 2013.

Pursuant to SCAQMD Rule 212 - Standards for Approving Permits and Issuing Public Notice, new or modified sources exceeding any of the specified daily maximums are subject to the public notification and comment provisions of 40 CFR Part 51, Section 51.161(b), and 40 CFR Part 124, Section 124.10. Please find enclosed a public notice for Arlon Graphic LLC issued in accordance with Rule 212(g). The public notice provides for a 30-day comment period prior to making a final decision on the issuance of the permit, and is also being published in a newspaper of general circulation in the vicinity of the facility. This notice is being distributed to each address within a ¼-mile radius of the property line of the facility. This notice is also being sent to the California Air Resources Board, the Southern California Association of Governments, the County of Orange, the City of Santa Ana, and the State and Federal Land Managers.

If you have any questions or wish to provide comments regarding this project, please call Mr. Hamed Mandilawi at (909) 396-3275.

Very truly yours,

Brian Yeh  
Senior Manager  
Coating, Printing, Plating, Military  
& Entertainment Operations
