Dear Mr. Rios:

Americh Corporation (I.D. 059225) has proposed to revise their Title V permit by adding two identical new spray booths and two identical new electric ovens. This is a bathtub and spa manufacturing facility (SIC 3088) located at 13152 Saticoy Street, North Hollywood, CA 91605. This proposed permit revision is considered as a “de minimus permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on March 29, 2012.

Very truly yours,
