SUBJECT: Phoenix Brickyard Title V Permit

FROM: Kathleen Stewart
U.S. EPA, Region IX
Air Division, Permits Office

DATE: April 28, 2005

On April 27, 2005, Dale Lieb of Maricopa County Environmental Services Department confirmed that the final Title V permit for Phoenix Brickyard, in Phoenix, AZ, will require source testing of baghouses DC-004 and DC-002, rather than just requiring testing of one or the other, as indicated in the proposed Title V permit.
