

NOTICE OF PRELIMINARY DECISION  
FOR THE PROPOSED MODIFICATION OF  
A TITLE V OPERATING PERMIT

NOTICE IS HEREBY GIVEN that the Yolo-Solano Air Quality Management District solicits public comment on the proposed significant modification of a Title V permit issued to Recology Hay Road at 6426 Hay Road in Vacaville, California. The significant modification results from the proposal to permit a new propane-fired internal combustion engine to power a truck tipper.

The District's analysis of the legal and factual basis for this proposed action and the proposed permit are available for public inspection at the District office at the address below. This will be the public's only opportunity to comment on the specific conditions of the proposed revised Title V permit. If requested by the public, the District shall hold a public hearing regarding issuance of this revised permit. For additional information please contact Courtney Graham at (530) 757-3650. Written comments on this project must be submitted within 30 days of the publication date of this notice to Susan K. McLaughlin, Supervising Air Quality Engineer, Yolo-Solano Air Quality Management District, 1947 Galileo Court, Suite 103, Davis, California, 95618.
