Dear Ms. Zogelmann,

Enclosed is the final Initial Title V Permit for the facility listed above that has been issued by the South Coast Air Quality Management District (AQMD). Effective September 4, 2008, this Title V permit supersedes the current revision of the RECLAIM Facility Permit issued for your facility by the AQMD.

The draft copy of this permit was submitted to EPA Region IX for a 45-day review period (May 16, 2008, to June 29, 2008) and made available for a 30-day public comment period (May 22, 2008, to June 24, 2008). The AQMD received no comments on the draft permit from EPA Region IX or any other party.

Questions on the subject permit should be directed to Andrew Chew, Air Quality Engineer, at (909) 396-2493/achew@aqmd.gov.

Sincerely,
