RE: Renewal PDEQ Class I Permit #17
EPNG Tucson Compressor Station

Dear Mr. Cantrell:

Enclosed is a final, renewal permit for EPNG Tucson Compressor Station located at 8787 N. Pump Station Rd, Marana, Arizona 85653. The permit contains the following; Parts A & B and Attachments 1 and 2. Part A consists of the general conditions that apply to all facilities. Part B consists of the specific conditions that apply to your facility and includes applicable emission limits standards, monitoring and recordkeeping requirements, reporting provisions and testing requirements. Attachment 1 contains a list of applicable regulations and Attachment 2 contains the equipment list.

Please keep a copy of this permit at the 8787 N. Pump Station Rd, Marana, Arizona facility for the life of the permit term. This renewal will go into effect on September 9, 2009 and remain valid for a permit term of 5 years.

If you have any questions or need additional information, please contact Rupesh Patel at (520) 740-3340.

Sincerely,

A handwritten signature in black ink, appearing to read "TSobolewski", with a horizontal line extending to the right.

Teresa Sobolewski
Air Program Manager

Enclosures: Final Air Quality Operating Permit and Technical Support Document.
