San Francisco, CA 94105

Subject: Proposed Minor Revision to Title V Facility Permit for Tesoro Refining and Marketing Co Refinery (Facility ID #800436)

Dear Gerardo:

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for Tesoro Refining and Marketing Co located at 2101 E. Pacific Coast Highway, Wilmington, California. The revision proposed under applications A/Ns 565801&565802 are Minor Revisions and a public notice is not required.

The South Coast Air Quality Management District (AQMD) has received applications for Permits to Construct/Operate from Tesoro for the equipment described in table below. The AQMD has evaluated the applications and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our Rules and Regulations. The revised portion of the permit and our evaluation reports are attached for your review.

Application No.	Equipment	Application Action
565801	Fuel Storage and Dispensing Facility no.1	This modification involves the removal of the existing Phase I vapor system and replacing it with a Morrison Brothers Phase I EVR system.
565802	Fuel Storage and Dispensing Facility no.2	This modification involves the removal of the existing Phase I vapor system and replacing it with a Morrison Brothers Phase I EVR system.

This letter is being sent to you via email in order to facilitate your review. If you have any questions or wish to provide comments regarding this project, please contact the processing engineer, Ms. Sawzan Andrawis at (909)396-2607 or by email at sandrawis@aqmd.gov.

Sincerely,

Danny Luong, P.E.
