Re: Notice of Proposed Decision - Significant Title V Permit Modification F-000454-26

Dear Mr. Rios:

Enclosed is a copy of the proposed Title V Statement of Basis and proposed revised Title V Permit F-00454-26 for the University of California, Davis (UCD) in Davis, California. This notification is given in accordance with District Rule 3.8, Section 409.1 (a 30-day public notice comment period) and Sections 409.1.e and 411 (a concurrent 45-day regulatory review period) for a significant Title V permit modification.

The proposed revisions will include:

- 1) Authority to Construct (ATC) applications C-13-42, C-13-72, and C-13-75

As proposed, C-13-42 will authorize the installation of a new internal combustion engine powering an emergency generator, C-13-72 will authorize the change out of a burner for the boiler current operating under P-28-03, and C-13-75 will authorize a startup and shutdown period for the boiler operating under P-83-06. The applications have been processed in accordance with the Enhanced New Source Review requirements of District Rule 3.4, Section 404.

The notice of preliminary decision for this project will be published in the Davis Enterprise newspaper approximately three days from the date of this letter. Please submit your written comments concerning this project within the 45-day regulatory comment period which will begin on the date that the documents are received by your agency. As such, the District respectfully requests notification of the date that the enclosed documents are received.

Thank you for your cooperation in this matter. If you have any questions, please contact Eugene Rubin at (530) 757-3655.

Sincerely,
