Re: Toyon Landfill Gas Conversion LLC

Dear Mr. Rios:

The South Coast Air Quality Management District (AQMD) has completed its engineering review of the enclosed proposed Title V permit renewal application (A/N 437596) for Toyon Landfill Gas Conversion LLC (Facility ID 142417) located at 5050 Mount Hollywood Drive, Los Angeles, CA in LA County. This is a landfill gas to energy facility. As part of the Title V renewal, an application for a Compliance Assurance Monitoring (CAM) plan was reviewed and is incorporated into the proposed permit.

The proposed permit also includes a hot-water pressure washer operating under a temporary permit (application 476972) and reflects the converting of two landfill gas fired internal combustion engines from permit to construct to permit to operate, and the removal of a hot water pressure washer that was taken out of service. In addition, the facility submitted application 520057 for change of ownership, responsible official, and contact information, and these changes are included into the proposed permit.

Section A, FACILITY INFORMATION

Appl. No.	Description
520057	Toyon Landfill Gas Conversion LLC acquired by Montauk Energy Holdings LLC, without a change to the direct ownership of name of the site. New responsible official and contact information.
