Kerman, CA 93630

**Re: Notice of Final Action - Minor Title V Permit Modification
District Facility # C-72
Project # 1110539**

Dear Mr. Pezoldt:

The Air Pollution Control Officer has modified the Title V permit for Baker Commodities, Inc. by incorporating Authority to Construct (ATC) C-72-9-3. This ATC authorized the modification of the meat and bone meal storage and loadout operation by increasing the daily amount of meat and bone meal stored and loaded out from 346,000 pounds (173 tons) per day to 800,000 pounds (400 tons) per day to allow for logistics management of truck traffic.

Enclosed is the modified Title V permit. The application and proposal were sent to US EPA Region IX on April 24, 2012. No comments were received following the District's preliminary decision on this project.

Thank you for your cooperation in this matter. If you have any questions, please contact Mr. Jim Swaney, Permit Services Manager, at (559) 230-5900.

Sincerely,

David Warner
Director of Permit Services

San Joaquin Valley Air Pollution Control District

PERMIT UNIT: C-72-9-4

EXPIRATION DATE: 06/30/2014

EQUIPMENT DESCRIPTION:

MEAT AND BONE MEAL STORAGE AND LOADOUT SYSTEM EQUIPPED WITH ONE GRINDER, ONE ELEVATOR, THREE TRANSFER CONVEYORS, ONE FINISHED MATERIAL CONVEYANCE SCREW SYSTEM AND TWO MEAT AND BONE MEAL BINS

PERMIT UNIT REQUIREMENTS

1. All equipment shall be maintained and operated according to the specifications and plans contained in the permit application except as otherwise specified herein. [District NSR Rule] Federally Enforceable Through Title V Permit
2. All equipment or systems installed or used to achieve compliance with the terms and conditions of this permit shall be maintained in good working order and be operated as efficiently as possible to minimize air pollution emissions. [District NSR Rule] Federally Enforceable Through Title V Permit
3. The Air Pollution Control District shall be immediately notified of any breakdown or malfunction that reduces or disrupts the normal processing of odors required by this permit. [District Rule 4102]
4. The District shall have authority to investigate possible odors alleged to originate from the facility and to make a determination of whether or not a nuisance exists, either in response to a complaint or on its own initiative. [District Rules 1070 and 4102] Federally Enforceable Through Title V Permit
5. The APCO or any authorized representative shall have access to inspect any equipment, operation, records, method required in this permit, to sample emissions from the source or require samples to be taken, or perform any other actions to assure compliance with the requirements of this permit and all District rules and regulations. [District Rule 1070] Federally Enforceable Through Title V Permit
6. Total meat and bone meal stored and loaded out into delivery trucks shall not exceed either of the following limits: 800,000 pounds (400 tons) per day or 82,344,000 pounds (41,172 tons) per year. [District NSR Rule and District Rule 4102] Federally Enforceable Through Title V Permit
7. Daily emissions from the meat and bone meal (MBM) storage and truck loadout operation shall not exceed 1.3 lb-PM10/day. [District NSR Rule] Federally Enforceable Through Title V Permit
8. Tallow and yellow grease storage tanks shall be kept in good operating condition. These tanks shall not contribute to a nuisance condition. [District Rule 4102]
9. Permittee shall keep daily and annual records of the amount of meat and bone meal stored and loaded out in to delivery trucks. [District NSR Rule] Federally Enforceable Through Title V Permit
10. All records shall be maintained and retained on-site for a period of at least 5 years and shall be made readily available for District inspection upon request. [District Rules 1070 and 2520, 9.4.2] Federally Enforceable Through Title V Permit

These terms and conditions are part of the Facility-wide Permit to Operate.
