The District acknowledges that a schedule of compliance does not sanction non-compliance.

The District has made a decision to issue the Major Facility Review Permit.

Enclosed is a copy of the final permit, copies of the transmittal letters to the applicant and ARB, a copy of the applicant's comment letter (without attachments) and the District's response letter. If you have any questions regarding this project, please call Steve A Hill, Air Quality Engineering Manager, at (415) 749-4673.

Sincerely yours,
