The revision to Section I is a “minor permit revision” to the Title V Permit previously issued in 2009. A draft copy of this revision was electronically submitted to the EPA for a 45-day review period on October 12, 2012. No comments were received from the EPA.

The revisions to Section D and H are an “administrative permit revision” to the Title V permit previously issued in 2009.

Please review the attached pages and then insert the enclosed sections in your Title V Facility Permit, and discard the earlier versions.

The operation of your facility as bound by the conditions and/or requirements stated in the Title V Facility Permit. If you have any questions concerning changes to your permit, or if you determine are administrative errors, please contact Ken Matsuda at (909) 396-2656, within 30 days of the receipt of your permit.

Sincerely,
