Dear Jim Reebel:

Enclosed is your Facility Permit for Compliance Year 2010 (January 1, 2011 through December 31, 2011).

For this reissuance, only relevant sections of the Facility Permit are being reissued. Relevant sections include allocations, in accordance with Rule 2002(b)(4), and any other modifications approved or required.

Please review the enclosed permit sections carefully, as they will be part of your official Facility Permit. The permit changes are stated below. Please note that the South Coast Air Quality Management District (AQMD) rules allow you to appeal the terms and conditions of any sections of the enclosed Facility Permit by petitioning the Hearing Board within thirty days of receipt of the permit.

You have recently been sent an invoice for the annual operating renewal fee for your facility permit. This must be paid on or before the due date indicated on the invoice or your facility permit will expire due to non-payment of fees.

A. Facility Permit

The enclosed sections of the Facility Permit contain changes described as follows:

1. The revision number and dates of the Title Page and the Table of Contents have been updated to reflect the reissuance of the enclosed permit sections.
2. Section B – RECLAIM Annual Emission Allocation
Section B has been updated to reflect all approved RECLAIM Trading Credits transactions that have occurred during Compliance Year 2010. In addition, we may have incorporated the revisions associated with your requested changes or our review of your allocations. In such cases, your facility was previously informed of these revisions in a separate letter. Please be aware that additional allocation changes may occur as a result of last year's audit.

B. Appeals

As previously mentioned, if you determine that certain changes or clarifications need to be made to any sections of the enclosed sections, you may appeal the terms and conditions by petitioning the Hearing Board within thirty days of receipt of the enclosed sections. If you determine there are administrative errors in these permit sections, please notify AQMD staff within thirty days of receipt of your permit sections. Your facility is still bound by the requirements of your entire Facility Permit while your appeal is under consideration by AQMD staff and/or Hearing Board.

Any comments or questions regarding your RECLAIM Facility Permit may be directed to Mr. Tran Vo, Air Quality Analysis and Compliance Supervisor at (909) 396-2579.

Sincerely,

Jay Chen, P.E.
