Dear Mr. Marren:

SUBJECT: Title V Facility Permit Revision (Facility ID: 119940)

Please find attached the revised Title Page, Table of Contents, and Section D of your Title V Facility Permit. The revised sections reflect the removal of the Permit to Construct previously issued under Application No. 507986 from Section D of your Title V permit resulting from the cancelation of your project to replace the burner of Hot Oil Heater No. 1.

Please review the attached sections carefully. Insert the enclosed sections into your Title V Facility Permit and discard the earlier version. Questions concerning changes to your permit should be directed to Mr. Richard Hawrylew at (909) 396-2657.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian L. Yeh", is written over a faint, larger version of the same signature.
