

**NOTICE OF PRELIMINARY DECISION  
FOR THE PROPOSED ISSUANCE OF  
A TITLE V OPERATING PERMIT**

NOTICE IS HEREBY GIVEN that the Yolo-Solano Air Quality Management District solicits public comment on the proposed significant modification of a Title V permit issued to Woodland Biomass Power Ltd., at 1786 East Kentucky Ave. in Woodland, California. The significant permit modification includes addition of a limited amount of treated railroad ties as a fuel source for the biomass-fueled boiler.

The District's analysis of the legal and factual basis for this proposed action, the proposed permit, and the complete application are available for public inspection at the District office at the address below. This will be the public's only opportunity to comment on the specific conditions of the proposed revised Title V permit. If requested by the public, the District shall hold a public hearing regarding issuance of this renewed permit. For additional information please contact Courtney Graham at (530) 757-3650. Written comments on this project must be submitted within 30 days of the publication date of this notice to Susan K. McLaughlin, Supervising Air Quality Engineer, Yolo-Solano Air Quality Management District, 1947 Galileo Court, Suite 103, Davis, California, 95618.
