**Re: Notice of Final Action - Minor Title V Permit Modification
District Facility # S-882
Project # S-1130364**

Dear Mr. Bement:

The Air Pollution Control Officer has modified the Title V permit for Golden State Vintners/Franzia-McFarland by incorporating Authorities to Construct S-882-134-0 and '-135-0 and Permits to Operate S-882-136-0 and '-137-0 . The Wine Group is proposing a Title V minor permit modification to incorporate the recently issued Authorities to Construct S-882-134-0 and '-135-0 and Permits to Operate S-882-136-0 and '-137-0 and into the Title V operating permit.

Enclosed is the modified Title V permit. The application and proposal were sent to US EPA Region IX on March 1, 2013. No comments were received following the District's preliminary decision on this project.

Thank you for your cooperation in this matter. If you have any questions, please contact Mr. Jim Swaney, Permit Services Manager, at (559) 230-5900.

Sincerely,

David Warner
Director of Permit Services
