Re: Notice of Final Action - Minor Title V Permit Modification
District Facility # C-447
Project # C-1095121

Dear Mr. Rios:

The Air Pollution Control Officer has modified the Title V permit for E&J Gallo Winery by incorporating ATC# C-447-230-0. E & J Gallo Winery is replacing diesel-fired IC engine powering a tub grinder (unit -22) with an electrical horizontal grinder, and add maximum daily and annual throughput limits.

Enclosed is the modified Title V permit. The application and proposal were sent to US EPA Region IX on November 30, 2009. No comments were received following the District's preliminary decision on this project.

Thank you for your cooperation in this matter. If you have any questions, please contact Mr. Jim Swaney, Permit Services Manager, at (559) 230-5900.

Sincerely,

David Warner
Director of Permit Services
