Dear Mr. Rios:

Enclosed for your 45-day review is the proposed Title V permit renewal and minor revision for Phillips 66 Colton Terminal East, ID 171329, located at 271 E. Slover Avenue, Rialto, CA 92376. Along with a copy of the proposed renewed Title V permit is the facility's permit renewal application, Statement of Basis, and public notice.

AQMD intends to publish the public notice and make this proposed renewal permit available for public viewing in accordance with Rule 3006, for 30 days beginning on or about May 23, 2014.

In addition, a minor revision is proposed to incorporate a Rule 463 plan. As there are no emissions associated with this revision, it is considered a minor revision and no public review is required.
