

March 22, 2000

Mr. David B. Howekamp  
Director of Air Management Division  
**United States Environmental Protection Agency**  
75 Hawthorne Street  
San Francisco, CA 94105

Dear Mr. Howekamp:

The requirements for public and EPA review of the following proposed Major Facility Review Permits have been completed:

| <b>Facility #</b> | <b>Facility Name</b>                | <b>Application #</b> |
|-------------------|-------------------------------------|----------------------|
| A0621             | City of Santa Clara, Electric Dept. | 18321                |
| A2124             | Read-Rite Corporation               | 18782                |
| B1887             | Duke Energy                         | 18703                |
| B1928             | Calpine Pittsburg                   | 19063                |

No comments were received from the public.

The District has made a decision to issue the Major Facility Review Permits.

Enclosed for your information are copies of the final permits. If you have any questions regarding this project, please call Steve A. Hill, Permit Evaluation Manager, at (415) 749-4673.

Very truly yours,

Ellen Garvey  
Executive Officer/Air Pollution Control Officer
