Dear Mr. Rios:

The Boeing Company – C17 Program (formerly Douglas Products Division; ID 800038) has proposed to revise their Title V permit by modifying one spray booth. This is an aircraft manufacturing facility (SIC 3721) located at 3855 Lakewood Blvd., Long Beach, CA 90846. This proposed permit revision is considered as a “minor permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on November 8, 2007.

If you have any questions or need additional information regarding the proposed permit revision, please call Brian Yeh at (909) 396-2584.

Very truly yours,
